

BGPert

Bath GP Education & Research Trust

An Introduction to Minor Skin Surgery in Primary Care

With Dr Dan Lashbrook, GP Surgeon & Dr Beth Wright, Consultant Dermatologist

Tuesday 16th September 2025, 9.00am – 12.30pm

Venue: PGMC, Royal United Hospital, Bath BA1 3NG

Please RSVP to [BGPert](#) – Places are limited, please book ASAP. Charges apply.

Please note: there is a £40 one-off attendance fee for all attendees due to the on costs involved in running this session.

This session is aimed at GPs who are new to minor skin surgery or are hoping to develop further skills in minor surgery for use in primary care. It is not intended as an intermediate or advanced course. The course will aim to improve both theoretical and practical skills.

This will be a half day introductory session for those new or wanting to undertake training in minor surgery in primary care. The session will include opportunity to practice techniques using surgical equipment on pig skin!

Topics to be covered:

- Principles of minor surgery
- Use of local anaesthetic
- Curettage and cautery / shave biopsy
- Punch biopsy
- Elliptical excision and suturing techniques.

This meeting has been accredited by BGPert. For more information about BGPert including additional details about meetings visit our [website](#).

This meeting will be supported by the following pharmaceutical companies. Exhibition stands are provided for those sponsoring, assisting BGPert to cover their costs for this meeting, they have no editorial control over the contents.
