Dr Nazia Hussain, GP with specialist interest in lab results

Tuesday 15<sup>th</sup> September 2026, 1.00pm – 2.00pm &  
Tuesday 2<sup>nd</sup> February 2027, 1.00pm – 2.00pm (this is a repeat session)

BGPERT Webinar via Zoom

Please RSVP to [BGPERT](#)

Dr Nazia Hussain is a GP based in South Wales with specialist interests in medical education and women's health. As a GPwER in headache working for the National Migraine Centre charity, she has spoken for BGPERT on migraine. Nazia authored Lab Results Made Easy to help primary care colleagues manage lab results efficiently on those busy primary care work days.

**Lab Results Made Easy** - It's 16:10 on a Friday afternoon. You finally open the pathology inbox... 37 results, including hypocalcaemia, hyperkalaemia, raised CK and positive ANA. What would you do next?

Join us for 2 interactive and practical teaching sessions with Dr Nazia Hussain on Lab Results Made Easy – designed to help primary care clinicians interpret and manage abnormal results safely and confidently.

[Slido](#) - What lab results do you struggle with?

Please take a few minutes to complete the Slido QR code link that will help tailor the highly interactive and informative session content to your learning needs.

**Learning Objectives:**

- Learn salient points in the history/examination with abnormal tests
- Gain confidence in when to repeat tests and appropriate intervals
- Learn relevant additional tests to help management

**This webinar will not be recorded - so sign up or miss out**
